

Product Description:

Compact and durable (IP65 rated) the Falkor Lighting LED UFO High Bay with Philips Lumiled Chips and Meanwell Drivers. The die cast aluminum frame makes for excellent heat management and reduced lumen depreciation. Weighing in at only 13.8lbs this fixture makes installation fast and easy, whether bracket mounting or suspending from chain. The cord comes with a screw terminal quick disconnect that allows for quick conversion from cord and plug to hard wire. 0-10V dimming compatibility allows for use with optional motion/occupancy sensors.

Model No.	Wattage	Voltage	Lumen	Efficacy	Color Temp.	Beam Angle
FI-UFO-100W-50K	100	100-277V	13000	>130LM/W	4000K 5000K	110°

FI-UFO-200W-50K	200	100-277V	26000	>130LM/W	4000K 5000K	110°
FI-UFO-240W-50K	240	100-277V	31200	>130LM/W	4000K 5000K	110°

Features:

- Highly energy efficient up to 130 Lumens Per Watt
- Philips Lumiled LED
- Meanwell Driver
- 5 Year / 50,000 Hour Warranty
- DLC 4.2, UL, cUL Listed
- Beam Angle: 110°
- 5 Year / 50.000 Hour Warranty

Applications:

- Parking garages
- Warehouses
- Storage Units
